The Commissioners met in regular session, and the report of the viewers in favor of the establishment of said road, was this day publicly read, for the third time, and said viewers having filed a separate report, in writing, of the amount of compensation and damages which they have assessed to land owners, by reason of the location of said road through their several premises, which report was also publicly read; and the board being of the opinion that compensation and damages awarded by said viewers to the several claimants, to-wit: To O. H. Roland, One hundred dollars, compensation; To W. G. Cash, Seventy-five dollars for land, and One hundred four + 50/100 dollars for fencing; are reasonable and just; that said county road will be of public utility and of sufficient importance to the public to justify the payment of said compensation and damages out of the country treasury; and no petition for review being filed, it is ordered that the country auditor draw his order upon the country treasurer in favor of said claimants, for the amount of compensation and damages so awarded to them, respectively; that the several reports of the viewers, with the survey and plat of said road, be recorded, and that said road be established a pub lic highway.
