St. Clairsville, Ohio, December 10, 1934

The Board of Commissioners of Belmont County, Ohio, met this day in Special session, present Anton Hochevar, James M. Fulton, and T. B. Phillips Commissioners, and E. E. Taylor, Auditor and Secretary of the Board, and it appearing that John Fador and others, have filed a petition in the office of the Commissioners of the County, on the 10th day of December 1934 for the establishment and improvement of a public road, along the following route, to-wit Beginning

See Petition

the same was this day considered by the Commissioners, and it appearing that said petition is regular and in conformity to law, and that the said John Fador has filed herein a bond as required by law. It is ordered that the 15th day of January 1935, at 10.00 o'clock A.M., be fixed as a date to view the same, at which date they will meet at the commencing point and go over the route of said proposed road.

They also fixed the 21st day of January 1934, at 10.00 o'clock A.M., as the date for final hearing at the office of the County Commissioners at which time it will be considered whether said improvement will be granted, and if granted, a time fixed for hearing claims for compensation and damages.

It is further ordered, that notice of the time and place of both such view and hearing be given by publication once a week for three consecutive weeks in the Bellaire Democrat a newspaper published and having a general circulation in the County of Belmont.

Attest:

E. E. Taylor County Auditor.

Anton Hochevar James M. Fulton T. B. Phillips Commissioners of Belmont County.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author details the various methods used to collect and analyze the data. This includes both manual and automated processes. The goal is to ensure that the information is both reliable and up-to-date.

The third part of the document focuses on the results of the analysis. It shows a clear upward trend in the data over the period covered. This indicates that the current strategies are effective and should be continued.

Finally, the document concludes with a series of recommendations for future actions. These include further refining the data collection process and exploring new opportunities for growth. The author expresses confidence in the team's ability to achieve these goals.
