# Report of Viewers.

To the Board of Commissioners of Belmont County, Ohio:

In obedience to your order, issued at your June 4th, 1906 session, A. D. 189, we the undersigned, Viewers appointed under said order, met with John A. Bond Surveyor, at Eliz. Cash's on June 26, 1906 and were severally sworn to discharge, faithfully and impartially, the duties required of us in said order.

Edward Davis not attending W. C. Hutchison was appointed in his place.

Allen Bond and W. I. Rose and Chas. Day were selected by us as chain carriers, and Wes Schnack and B. C. Rose as a marker, who were also duly sworn.

We then proceeded to view said proposed Alteration on the line described in your order, and caused the same to be surveyed, "as prayed for in the petition, or as near the same as in our opinion a good road can be made at a reasonable expense, taking into consideration the utility, convenience, and inconvenience and expense which will result to individuals as well as the public," by the Alteration of said road as follows:

(For Description see page 508 this Volume)

We would respectfully report that the said Proposed Alteration ought to be Granted for the following reasons:

It reduces a grade, steepest pull on present road of 9° 10' to a uniform grade of 3 1/2°. Second:-- Better location for a road and does away with a sewer. Third:-- It can be made at a small expense, and connects with Cash Hill Road a leading thoroughfare to Bellaire Ohio.

We have also determined that the public convenience requires that such Alteration shall be established 36 feet in width.

All of which is respectfully submitted, July 6th, 1906 189
