REPORT OF VIEWERS.

To the Board of Commissioners of Belmont County, Ohio:

In obedience to your order, issued at your March session, A. D. 1876, we, the undersigned, Viewers appointed under said order, met with D. M. Riley Surveyor, at St. Clairsville on April 27th 1876 and were severally sworn to discharge, faithfully and impartially the duties required of us in said order.

If any viewer is unable to attend, here state by whom the vacancy was filled.

Robt Hammond and Elijah McFarland were selected by us as chain carriers, and Lewis Newswanger as a marker, who were also duly sworn.

We then proceeded to view said proposed Road on the line described in your order, and caused the same to be surveyed "as prayed for in the petition, or as near the same as in our opinion a good road can be made at a reasonable expense, taking into consideration the utility, convenience, and inconvenience and expense which will result to individuals as well as the public," by the _____ of said road as follows:

For which see report of D. M. Riley Surveyor

We have also examined and caused to be surveyed various alterations which are also shown on Surveyors plat which we would recommend to be made

We would respectfully report that the said Alterations ought _____ to be made _____ for the following reasons:

1st It would be extremely difficult to make a good road upon many parts of the old Survey, and it would be very injurious to the interests of many of the land owners affected to place the road on said old Survey, 3rd A better road may be made on the proposed alterations and avoid said damages to land owners

We have also determined that the public convenience requires that such _____ shall be established _____ feet in width.

All of which is respectfully submitted, {
