

253  
Record of a graded State road, beginning at Marietta  
in Washington County, and ending at St. Clairsville in Belmont  
County

We the undersigned (to wit) George Templeton of Washington County,  
John Glue of Monroe County, and Miles Hart of Belmont County,  
having been by an act of the General Assembly of Ohio, dated July 15<sup>th</sup> 1840  
appointed Commissioners, and Mitchell Atkinson Surveyor, to lay out and  
establish a State road beginning at Marietta in Washington County and  
ending at St. Clairsville in Belmont County, with intermediate points,

This is therefore to certify that having met at Marietta aforesaid on  
the 26<sup>th</sup> day of Sept<sup>r</sup> A. D. 1840, and having obtained two suitable persons  
as Chairmen and one marker, and that after being duly sworn as the law  
requires, we proceeded to lay out said road on the most direct route that suit-  
able ground could be obtained, and in all cases under an angle of seven-  
degrees with the horizon, and to survey the same, beginning at a certain  
point where a direct line through the middle of Market Street intersects a  
direct line through the middle of the first Street east of the Court House,  
thence as the following Courses and distances designate, to a point on the little  
Muskingum river between Ross and Chambers Mills, thence to Hoopfield  
in Monroe County, thence to Dealville in the same County, thence to Centerville  
in Belmont County, thence to St. Clairsville in the same County, ending  
at a certain point where a direct line through the middle of Marietta  
Street intersects a direct line through the middle of Main Street, We the  
undersigned do also certify that the whole of said route has been by us correctly  
surveyed and marked throughout the whole distance, and that the Courses  
and distances thereof were correctly taken, and that the number of each and  
every mile has been marked on a tree or monument, that the following Courses  
and distances are a true copy from the original field notes, and that  
the following plats were plotted from the Courses and distances contained  
in each County respectively, as in said plats designated,

We further certify that the total distance of said road in Washington  
County was found to be 31 miles and 306 rods and 17 links, the same in Monroe  
County 25 miles and 73 rods, and the same in Belmont County 20 miles and  
15 links, consequently the whole entire distance is 77 miles, 60 rods and 12  
links,

George Templeton }  
John Glue } Road Comm<sup>rs</sup>  
Miles Hart }  
Mitchell Atkinson Surveyor
