This is a detailed topographic map of the Pawnee, Nebraska area. The map shows the Pawnee River flowing through the region, with several towns and communities marked, including Pawnee, Pawnee City, and Pawnee Springs. The map includes a grid system with letters A through D and numbers 1 through 16. The terrain is depicted with contour lines and shading, indicating elevation. The map also shows various roads, including Highway 10, and other geographical features like the Pawnee River and the Pawnee River Reservoir. The map is oriented with North at the top.

This is a detailed topographic map of the Jefferson County area, showing the city of Louisville and surrounding regions. The map includes major roads, water bodies, and elevation contours. A scale bar indicates 52,000 feet. The map is labeled with 'JEFFERSON COUNTY' and 'To Lexington'.

[illegible]

This map shows the Morris Township area in New Jersey, centered around the Morris Canal. The canal is depicted as a prominent blue line running horizontally across the middle of the map. To the left of the canal, the town of Flushing is labeled, and to the right, Morris is labeled. The map also shows various roads, including Route 19, Route 24, and Route 23. Other towns visible include Wilkes-Barre and Scranton. The map includes a scale bar at the bottom left, indicating distances in miles and kilometers, and a north arrow at the bottom right. The map is titled "Morris Township" and "Morris Canal" in large, bold letters.

This is a detailed topographic map of a section of the Colorado Plateau, showing the confluence of the Colorado River and the Gulf of California. The map includes the towns of Somerton, Yuma, and Blythe, and features like the Colorado River, Colorado Delta, and various canals. A scale bar at the bottom indicates distances in miles and kilometers.

This is a detailed road map of the Los Angeles area, showing major highways, local roads, and landmarks. The map includes a legend for symbols like 'The University of California' and 'The Los Angeles International Airport'. A scale bar indicates distances in miles and kilometers. A compass rose shows the orientation. The map is labeled with 'LOS ANGELES' and 'SAN FRANCISCO'.

LEGEND

Symbol	Description
