

# 2022 Township Trustee Meeting

Bryan May, P.E.  
May Engineering

Each year the Belmont County Engineer's Office hosts a meeting for the Township Trustees. The Trustees of course have other meetings throughout the year, but the meeting hosted by the Engineer's Office fulfills a requirement of State Code. This year the agenda included a vote on a member to serve on the Ohio Public Works Sub-Committee, a Planning Commission Update, and information from Ohio Gig. The next meeting hosted by Belmont County Engineer will be in the spring of 2023.

**Franklin Shaffer**
