There are 1,308 Townships in the State of Ohio (ohioroster.ohiosos.gov/muni_townships.aspx).

Each township is governed by a three-member board of trustees who are elected in November of odd-numbered years to a 4-year term beginning on the following January 1. Candidates for Ohio township office, trustee, or fiscal officer must be a resident of the township that they are running for election.

Two trustees are elected in the year after the presidential election and one trustee is elected in the year before the election.

The Fiscal Officer (formerly known as the Township Clerk) is also an elected Township official. The Fiscal Officer serves a four-year term beginning on April 1 of the year after the election, which is held in November of the year before the presidential election.

Vacancies in the fiscal officership or on the board of trustees are filled by the remaining trustees.

Townships, just like County, City and Village governments, are an independent government entity.

Information about Townships in Ohio can be found at <http://www.ohiotownships.org>.

The duties of Township Trustees are detailed in Chapter 503 of the Ohio Revised Code → <http://codes.ohio.gov/orc/503>.
